**CYMBIDIUM SOCIETY OF AMERICA, INC.  
JUDGING ENTRY FORM**

(either print or type information on this form)

Date:

(Month, Day, Year)

Place:

Entry #

Name of Plant:

Cultivar Name:

Parentage:

NOTE:

1. Print your name and address on back of this sheet.
2. The exhibitor must own a plant at least six months for him to receive a cultural award. How many months have you owned the plant?
3. When an unnamed plant is awarded, it is responsibility of the exhibitor to provide the chairman of the awards committee with written information as soon as the international registration authority for orchid hybrids has granted an official name. Failure to do so may result in loss of the award.
4. Where available give parents clonal name and ploidy.

List all Previous awards anywhere?

Was the cross made and grown in California?

Is the plant a seedling blooming for the first time?

When a CSA award is given, normally, a complimentary 35 mm, slide is taken for the Exhibitor. The photography is done by independent contractors and we cannot guarantee that we will receive a usable picture. This does not relieve the Exhibitor from the cost of the award. Failure to meet this obligation for this or any other reason will rescind the award. Future awards may not be granted to the Exhibitor until past obligations have been met.
